Welcome Message

Dear Colleagues,

It gives us immense pleasure to welcome you to the **Skull Base & Endoscopy Workshop to be held from 31st Oct - 01st Nov 2026 at Dept. of Anotomy, SCB MCH & CME at Krishna Courtyard, Kataka.**

We warmly welcome you to **Silver City - Kataka**. Kataka is the former capital and current commercial and cultural capital of Odisha. Known as the Millennium City due to its 1,000-year history and the Silver City for its intricate traditional silver filigree works, it sits on the river delta of the Mahanadi and Kathajodi, forming the twin-city metropolitan area with Bhubaneswar.

We are confident that this conference will offer academic enrichment, professional networking, and personal rejuvenation in this inspiring coastal setting. We are equally certain that your mind, body, and soul will be rejuvenated in this enchanting **"Silver City of Odisha"**.

Kindly block your dates, and we eagerly look forward to welcoming you with our warm hospitality

Warm Regards

PLACES TO VISIT

THE BARABATI FORT

The Barabati Fort is one of the points of attraction in Kataka for the visitors, which is situated between the two rivers Mahnadi and Kathjori. As per the Madalapanji the Barabati fort was built in the 989 A.D by the Ganga dynasty. The famous Barabati Stadium, which is said to be the venue for various sports, events and cultural programs, is situated next to the Barabati fort. The famous temple of Goddess Katak Chandi is also situated near the fort.

DHABALESWAR ISLAND

habaleswar Island is a peaceful and beautiful island in the Mahanadi River. It is near to the Indian city of Kataka. People know the Island for its calm atmosphere, lush greenery, and old temples. It covers an area with many plants and a river running through it, making it a peaceful place for travellers and tourists.

MAA KATAKA CHANDI MANDIR

Durga Puja and Kali Puja festivals at Chandi Temple truly come to life each year during its grand annual celebrations of Durga Puja and Kali Puja. Spanning 16 delightful days from Ashwina Krishna Ashtami through to Vijayadashami, these festivities bring immense joy and devotion from people from near and far as they pay their homage to goddess Chandi.

BARABATI STADIUM

The Barabati Stadium in Kataka hosted only the third one-day international in this country, in January 1982, when India put it across England by five wickets to lift the series 2-1. In the first Test match here five seasons later, the Sri Lankans were greeted with an underprepared wicket affording vastly unpredictable bounce.

ABOUT PG DEPARTMENT OF ANATOMY, SCB MCH, KATAKA

The PG Department of Anatomy, SCB Medical College & Hospital (SCB MCH), Kataka, established in 1944, is one of the premier anatomy departments in Eastern India. The department is responsible for teaching and training students across a wide range of health science programs, including MBBS, BDS, BPT, BOT, BPOE, DMLT, DMRT, Clinical Psychology, and B.Sc.Nursing.

It also conducts examinations and evaluations for these courses and provides postgraduate education and training to approximately seven MD Anatomy students each year. In addition to its academic responsibilities, the department undertakes the embalming of unclaimed and voluntarily donated bodies, which are essential for anatomical teaching and research.
